

Code of Conduct for Trent Valley Gliding Club Members

Trent Valley Gliding Club ('the Club') believes that Club members, their guests and visitors to the club are entitled to expect courtesy, consideration and to be able to operate within a culture of safety. The development and maintenance of such a safety culture relies on everyone being able to trust one another, and for each person to show consideration and to have a duty of care for fellow participants. To this end, the Club Management Committee expects certain minimum standards of behaviour from Club members, their guests and visitors to the Club. This includes a responsibility for all Club members, their guests and visitors, to bring to the attention of any Club official any situation which is believed to constitute a hazard, so that adequate mitigation can be applied, or risk of exposure to the hazard can be removed.
